Comment on Practices 1.4 and 1.5:

Responsible fiduciaries should review information regarding fees and potential conflicts when engaging an Investment Advisor (Advisor). CEFEX-certified Advisors have been assessed using a checklist modeled after the disclosure requirements in DOL Regulation § 2550.408b-2(c). The CEFEX assessment includes a review of the Advisor's service agreement(s) including a sampling of the Advisor's client files to verify deployment of the service agreement, and appropriate disclosures. The Advisor's service agreement and disclosures are reviewed along with the Advisor's Form ADV to assure consistency. For Advisors serving plans subject to ERISA, many disclosures are mandatory in order to avoid a prohibited transaction. For those Advisors who do not serve ERISA plans, this checklist is considered a requirement for CEFEX certification on the basis of best practice.
